General Business

1. Constitution Consultation

- 9 submissions have been received. The submissions will be assessed by the subcommittee and proposed changes will be incorporated into the draft constitution. The revised draft will be circulated for discussion at the next meeting. **Christine Matthews, Simon Brownie and John Brenkley, Dave Scott.** The team to consider how voting will be organised.

2. Event Calendar

- Discussion initially centred on programming of events throughout the year and how clashes might be eliminated. General consensus within the committee was that having events more or less monthly throughout the year was preferable.
- Murray Matthews has a calendar with school holidays, Tri NZ events etc. plotted on will help to plan the events for next year. **Barrie Eccles** and **Dave Scott** to bring a draft events calendar to the next meeting.
- Discussion about spreading the workload around more people on club event weekends. Murray Matthews has a very high workload on the weekend of the event. Andy used the example of Kids' Tri and how a number of volunteers assist each year and have got the event running smoothly. Murray Matthews described how the current system is efficient and people that help know what they are doing; the problem is that the pool of available labour is small. There have been attempts in the past to encourage members to assist with set up and take down but response has been poor. One critical job on the day of the event is the stop / go person on the front gate, without this the event cannot proceed. A working party of Dave Scott, Murray Matthews, Malcolm Brown, Barrie Eccles, Simon Brownie will investigate how the event workload can be made more efficient and manageable.

3. Inventory of Needs

- Went through the document emailed by Barrie to the committee.
 - 1 Equipment – **Murray Matthews** to investigate the purchase of 2 new gazebos. 1 big, 1 small. Budget up to \$2.5k. This to include re using the signage from the current gazebo on the new gazebo.
 - 2 IT – Better timing options. **Dave Scott / Murray Matthews** to research.
 - 3 Uniform – T shirts to new members free of charge. Can buy additional T shirts for \$20 each.
 - 4 Training / Development – **Dave Scott** to talk with Hawkes Bay and Wellington clubs about the possibility of reciprocal agreements for events and this could possibly result in a club trip to such events.
 - 5 Publicity and Promotion – **Dave Scott** to investigate having more than one person able to update the website. Add subcommittee reporting to agenda. Advertising subcommittee already formed, not active at present.
 - 6 Other – Swim bike run option, trial on 30 August. Registration of interest, send competitors off in waves if this option popular. **Dave Scott** and **Simon Brownie** to follow up.

4. AGM Date

- 30 August 2015
- Prize giving at 8.45am
- Event at 9.15 am
- AGM to follow event
- Venue to be organised by **Simon Brownie**
